Sir/Madam,

I'm pleased to offer you my job service in your organization to prove my experience, qualification & skills for your organization, beneficial & profitable and to prove best reward of your resource with sincerity and loyalty. It will be my pleasure to work in your organization in favor and benefit of the organization. Your organization has a reputation for professionalism and quality work, and I would truly appreciate an opportunity to contribute to your team. My greatest strengths are those most necessary to be continued, consistent growth and prosperity.

- Well-built leadership skills for team management & employees and customer relationship.
- Well-built ability to maintain computerized accounts in MS Office.
- Skills to resolve the problems related to my field.

I am confident and I can bring to the table a package of skills, experience and abilities that will provide you with an invaluable resource. I thrive in the atmosphere of excitements and challenges such as that offered at your company and looking forward to discussing with you personally how my abilities can best serve you needs.

Sincerely,
Haseeb Mansoor

HASEEB ARAIN
